

**“As long as autumn lasts, I shall not have hands,  
canvas and colors enough to paint the beautiful things I  
see.”**

**Vincent Van Gogh**

After moving to our new space in June, we hosted 9 weeks of summer camps. What a wonderful creative time we had with over 200 young artists. Thank you for sharing your children with us. We are now heading into the fall and we are excited to offer a variety of new classes and workshops for all ages!

Throughout the summer we have also been working on our recently renovated gallery space. We are pleased to announce that Tara Joshi has joined the Whitepine's Team as our new Gallery Manager. Tara has dual degrees in both Ceramics and Art History and comes to Whitepine Studios with over a decade of experience in gallery management. Tara also curated multiple juried exhibitions and previously worked at the esteemed Toledo Museum of Art.

Stay tuned for the grand opening of our new gallery space. Coming Soon!
